IT IS THEREFORE ORDERED that Hickman-Fulton be and it is hereby granted a certificate of public convenience and necessity to proceed with the construction as set forth in the application and record.

IT IS FURTHER ORDERED that Hickman-Fulton be and hereby is authorized to borrow a sum in the principal amount of \$500,000.00 from REA at the rate of five percent (5%) per annum over a thirty-five (35) year period with payment of principal deferred for three years.

IT IS FURTHER ORDERED that Hickman-Fulton be and it is hereby authorized to borrow a sum in the principal amount of \$226,000.00 from CFC at the initial interest rate of ten and one half percent (10½) per annum until a date in 1987 to be specified by CFC and the rate to be variable thereafter, over a period of thirty-five (35) years.

IT IS FURTHER ORDERED that Hickman-Fulton be and it is hereby authorized to execute its notes as security for the loans authorized herein.

IT IS FURTHER ORDERED that the proceeds from the proposed borrowings shall be used only for the lawful objects as set out in the application and record.

IT IS FURTHER ORDERED that Hickman-Fulton shall submit semi-annual reports to the Commission setting forth in detail the status of the construction authorized herein as well as the status of the funds authorized for said construction.

Nothing herein contained shall be deemed a warranty or finding of value of securities or financing authorized herein

on the part of the Commonwealth of Kentucky or any agency there-
of.
